Mr. Murray,

Thanks you for speaking with me today and granting me verbal consent for access to the Kaiser Mead site in Spokane. I am attaching a Consent for Access form for your signature. Please have an authorized representative sign the form and email it back to me.

As I mentioned to you, I am trying to arrange multiple site visits in the Spokane area for Thursday, October 4. I plan to be arriving early morning and hope to be near the Kaiser property around 9:00 AM or thereabouts. I will contact you early next week to finalize plans. If you have a strong preference regarding an appointment time, please let me know ASAP. I do appreciate if you have some flexibility in your schedule, though.

The purpose of my visit is to assess if there are hazardous substances on the property and to assess whether those substances, if any, present an imminent and substantial risk to human health or the environment.

Please feel free to call me if you have any questions.

Respectfully,

Jeffrey Fowlow, PG, CHMM
